

Energy for generations

YOUR BRIGHTER FUTURE

ESB Undergraduate Programme

Do you want to work for a vibrant, successful and innovative organisation?

Who we are

ESB is Ireland's foremost energy company. Through innovation, expertise and investment we are leading the way in developing smart and sustainable energy systems to meet the demands of modern life.

ESB offers undergraduate placements to students from a variety of disciplines for 6-12 month duration, depending on your course requirements.

Why work with us?

-  You will have real world experience that's relevant to your field of study.
-  We offer our undergraduates a competitive salary.
-  We encourage openness and collaboration in everything we do.
-  You will be working with a friendly and supportive team.
-  You will be part of an extensive undergraduate community.

How to apply

1. Register with your college placement officer.
2. Submit your CV to the college placement office.
3. Apply for advertised jobs through your college.
4. Selected students will be invited to a competency based interview.
5. Register with your college placement officer.
